

Steam-lining STEAM

A SCHOOL-WIDE NEWSLETTER DEDICATED TO STEAM HAPPENINGS

Welcome to the New Year!

Everything STEAM at Howard

Happy new school year! This is the first edition of our monthly Howard STEAM newsletter for the beginning of the 2019-2020 school year. Inside these newsletters you will find informative resources for integrating STEAM into your classroom. You will also find information on special events and workshops for bolstering your curriculum delivery! Be sure to check out the STEAM Resources site in the link at the top of the newsletter and also be sure to ask Mr. Novy about what we have available to the Howard School for STEAM integration. He is excited to help get you off on the right foot in your classroom this year.

Our MODA Partnership

Amazing resources just 5 minutes away from campus

We are so lucky at Howard to have an amazing partnership with the Museum of Design Atlanta (MODA). If you are interested in learning more about how you and your classroom can utilize MODA, ask Mr. Novy about it! Below are some of the possible amenities associated with our partnership.

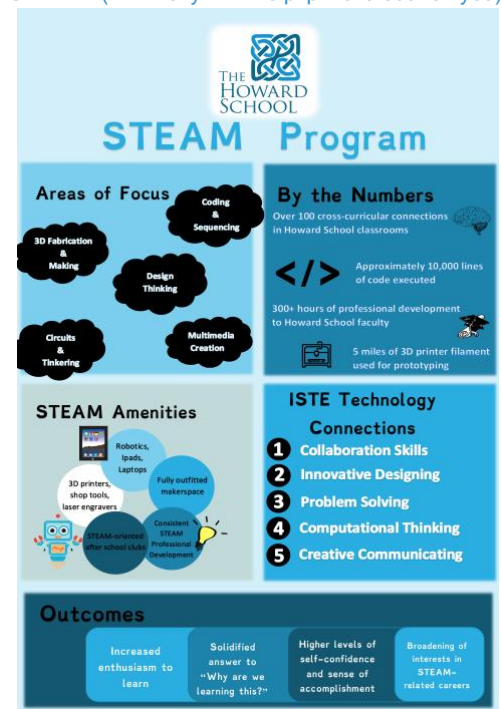

- Class Field Trips to MODA
- Use MODA as a classroom
- Bring a MODA educator into your classroom to run a workshop
- Collaboration with MODA to host a series of lessons in their design lab

Howard School STEAM

Use this to display in your classroom so parents and visitors know what we do with STEAM! (Mr. Novy will help print it out for you)

STEAM TIP OF THE MONTH!

Frustrated with finding a starting place for STEAM in your classroom?

Chat with Mr. Novy about how you could use the newly-purchased STEAM kits in your curriculum and set up a time to meet with him to learn more. This is free STEAM PD! Contact Mr. Novy [HERE](mailto:mnovy@howardschool.org)-----mnovy@howardschool.org

The brand of our kits!
